TOAN K. BUI, D.M.D.

A native of New Jersey, Dr. Bui had always wanted to become a doctor. An over-achiever by nature, he graduated as Valedictorian from Dover High School and Magna Cum Laude from Fairleigh Dickinson University, Madison. Dr. Bui completed his D.M.D. Degree at UMDNJ with Honors and his General Practice Residency at Overlook Hospital in Summit, N.J.

Dr. Bui holds several prestigious memberships in the American Dental Association, The Academy of General Dentistry and the N.J. Dental Association. Dr. Bui is also a member of the Seattle Study Club which is a formal continuing dental education program.

An artist who proudly displays his favorite works on the walls of his office as represented in this article, Dr. Bui uses his natural artistic talent to create what he sees. "To me, each dental procedure is an opportunity to create a work of art for a patient."
